

# Lacquered Stool

Designed and manufactured in Granada, Spain by Fiaka

**Stool** without back, with wooden **structure** lacquered with paint for outdoors and upholstered with nautical synthetic leather, ideal for outdoors and spaces with a lot of transit.

**Fiaka** releases a new range of lacquered furniture. Large and comfortable **stools** for bars, premises and any leisure space which you can combine with **matching** lacquered tables or with more **stools** with back. An election for the most sophisticated people.
