

Balinese Bed

Designed and manufactured in Granada, Spain by Fiaka

Balinese Bed with wooden canopy and floating base for outdoors. Measurements: 200x200x200 cm. Optional: curtains and cushions.

When we hear the word "Balinese bed" we can inevitably stop imagining ourselves placidly lain on one of them, with a good book on the hands, sunbathing, listening to music, having a chat or simply resting..

The Balinese bed is **the relax and comfort queen**. It's a piece which can't miss in our **terrace, swimming pool or garden** , since it's ideal for creating an exotic 'chill out' environment and enjoying in family or with friends.

Nautic (Leatherette)

Nautical upholstery maintains the visual characteristics of the leatherette, but with three great advantages, it is a non-flammable, antibacterial and antifungal fabric. It is the perfect upholstery for public facilities, sanitary and different types of equipment.
