

Folding Bed Pouf with Bed Base

Designed and manufactured in Granada, Spain by Fiaka

The **folding bed pouf** is made up by a **metallic structure** divided into three parts. To use it, you just have to remove the cover, unfold both parts, and it will become a **very comfortable bed**, ideal for visits in home. It's a similar bed to those additional beds of hotels. The cover can be chosen in any of the **offered colours**.
