

# Comfort Pouf

Designed and manufactured in Granada, Spain by Fiaka

A pouf of great dimensions as its name points out, which really allows you to rest on it due to its **comfort and space**. It's practical due to its system which is convertible into two kinds of pouf, making it be a **conventional round pouf** or an authentic **armchair with back**. You'll love all the possibilities that our Comfort Pouf offers you.

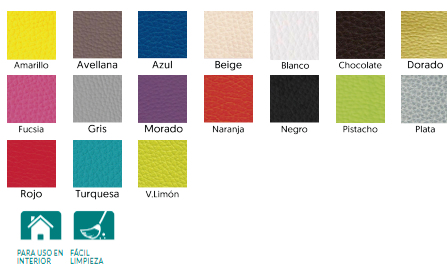

## Indoors and Outdoors Use

### Measurements

- **Width:** ø 105 cm.
- **Height (closed):** 45 cm.
- **Height (open):** 75 cm.

### Leatherette

Easy to clean high-end leatherette, very resistant. Designed for indoor use. its quality complies with the most stringent European standards in relation to its components and environmental protection.

### Nautic (Leatherette)

Nautical upholstery maintains the visual characteristics of the leatherette, but with three great advantages, it is a non-flammable, antibacterial and antifungal fabric. It is the perfect upholstery for public facilities, sanitary and different types of equipment.

### Filtech

Based on vinyl composites, Filtech provides solutions to the contract sector surpassing all the performances of a textile with an effect and natural touch. Suitable for use both indoors and outdoors, easy to clean, fireproof and with bactericidal properties.
