

Lago Two-Seater Lounger

Designed and manufactured in Granada, Spain by Fiaka

After the success that we had with our collection of **summer loungers**, we add a new model which will make you enjoy the summer. With the seam detail and its wider size, the **Lago Lounger** offers the possibility of a good rest for 2 people, outdoors. It's an essential element for sunbathing in your **garden** or decorating your hotel pool. Its resistant fabric is suitable for outdoors and its reinforced seam makes it be **waterproof and resistant**.

Nautic (Leatherette)

Nautical upholstery maintains the visual characteristics of the leatherette, but with three great advantages, it is a non-flammable, antibacterial and antifungal fabric. It is the perfect upholstery for public facilities, sanitary and different types of equipment.

Filtech

Based on vinyl composites, Filtech provides solutions to the contract sector surpassing all the performances of a textile with an effect and natural touch. Suitable for use both indoors and outdoors, easy to clean, fireproof and with bactericidal properties.
