

Dallas High Stool

Designed and manufactured in Granada, Spain by Fiaka

The Dallas High Stool, of the industrial collection, stands out by its original shape and unique design. It's eclectic and timeless, and it keeps the decorative style spirit which goes on being current since the 60's. A quality finishes product whose seat is upholstered in different fabrics, available in many colours and solid **forged iron structure**.

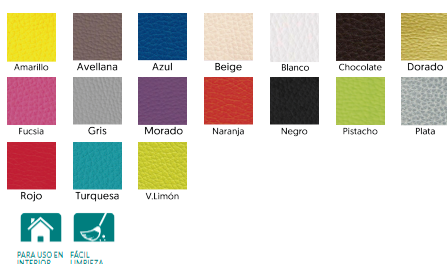

Indoors and Outdoors Use.

Measurements

- **Height:** 76,50 cm
- **Width:** 32,50 cm
- **Depth:** 32,50 cm

Leatherette

Easy to clean high-end leatherette, very resistant. Designed for indoor use. its quality complies with the most stringent European standards in relation to its components and environmental protection.

Nautic (Leatherette)

Nautical upholstery maintains the visual characteristics of the leatherette, but with three great advantages, it is a non-flammable, antibacterial and antifungal fabric. It is the perfect upholstery for public facilities, sanitary and different types of equipment.

Filtech

Based on vinyl composites, Filtech provides solutions to the contract sector surpassing all the performances of a textile with an effect and natural touch. Suitable for use both indoors and outdoors, easy to clean, fireproof and with bactericidal properties.
