

# copy of Lago Two-Seater Lounger

Designed and manufactured in Granada, Spain by Fiaka

After the success that we had with our collection of **summer loungers**, we add a new model which will make you enjoy the summer. With the seam detail and its wider size, the **Lago Lounger** offers the possibility of a good rest for 2 people, outdoors. It's an essential element for sunbathing in your **garden** or decorating your hotel pool. Its resistant fabric is suitable for outdoors and its reinforced seam makes it be **waterproof and resistant**.

## Indoors and Outdoors Use

### Measurements

- **Height:** 75 cm
- **Width:** 115 cm
- **Depth:** 160 cm
- **Seat height:** 41 cm

### Nautic (Leatherette)

Nautical upholstery maintains the visual characteristics of the leatherette, but with three great advantages, it is a non-flammable, antibacterial and antifungal fabric. It is the perfect upholstery for public facilities, sanitary and different types of equipment.

### Filtech

Based on vinyl composites, Filtech provides solutions to the contract sector surpassing all the performances of a textile with an effect and natural touch. Suitable for use both indoors and outdoors, easy to clean, fireproof and with bactericidal properties.
